

Vello vom Eichenplatz (SZ 2360385)

Judges reports

National Winner Show (GHKR) 2023

Large, powerful and full-bodied, good building conditions, very well pigmented, good expression. Very strong, well-shaped head, dark eyes, firm ears, high withers, straight, firm back, with good length the croup is slightly sloping. Good at the front, very good angles at the back, balanced chest ratios, straight front. Approximately straight sequence of steps, powerful replenishment, the right of way may still be a little freer, remains sublime. Vello is a very robust male who has developed very well and was able to take 8th place at the Universal World Championship. TSB: pronounced, drains.

Judge: Bernd Weber

National Winner Show (GHKR) 2022

Very large, powerful and substantial, good building conditions, very well pigmented, good expression. Very strong, well-shaped head, dark eyes, firm ears, high withers, straight, firm back, with good length the croup is slightly sloping. Good at the front, very good angles at the back, balanced chest ratios, straight front. Approximately straight sequence of steps, powerful replenishment, the right of way may still be a little freer, remains mostly sublime. Above-average TSB performance. TSB: pronounced, drains.

Judge: Bernd Weber

National Winner Show (JHKR) 2021

Large, strong, full-bodied, very well pigmented, correct building conditions, dry and firm. Prominent head, well-shaped withers, straight back, somewhat short, well-positioned croup. The upper arm should be even more slanted with a good length, well-angled hindquarters, balanced chest ratios, straight front. Straight at the front, slightly tight at the rear, the gears should be even more powerful and productive overall. In the course of the gait test, the dog loses its joy of running and freshness.

Judge: Richard Brauch
